HOW TO ORDER

- Click on the GET STARTED button in the 'Simple Pricing' section of our website at www.boxnco.com and follow the steps to place an order and create an account! The system will ask you for a credit card to complete the setup.
- During setup, please write your **SCHOOL NAME** and the **PACKAGE** you want in the '**Promo Code**' section so that we can bill you for the right discounted package. For example, in the promo code section of signing up, type QUEENSCOLLEGE – CollegeBasic and when prompted to order items, select 3 large, 1 medium and 1 bulk item to your order.
- Your card will be charged when your items are collected for storage. The 4 months of storage will start on the date your items arrive at our facility. If you do not request your items back on a date before the 4 months is over, you will be moved to our a la carte pricing, be charged on a monthly basis and will incur a \$19.95 delivery fee when you request your items back from storage.
