Box&Co Shipping Program

Need your stored items delivered
OUTSIDE of our service area?

You can store with Box&Co for any period of time and when you need your items back we will ship them to you! We partner with UPS and ship anywhere throughout the US.

When you are ready to have your items shipped, we will give you a shipping quote based on your requested destination. We will then ship your items and send you tracking information so that you can monitor your items in transit!

It's that easy!
